Online Revised Submission

Dear Dr Jenkins,

RE: Revised Manuscript submission – *‘Simulating shot selection strategies and scoring outcomes in Super Netball’s ‘Power 5’ period’*

Thank you for the opportunity to revise the above-named manuscript (ID: SPO-22-0618.R1). We appreciate the time of the editorial team and reviewers in providing comments on our manuscript. Minimal changes have been made to this version of the manuscript, due to the minor nature of comments provided. Any alterations in the revised manuscript based on the review comments have been detailed in a document attached with the submission and have been highlighted in the revised manuscript using bold red text.

Thank you for your further consideration of this manuscript and we look forward to your feedback.

Kind regards,

Aaron Fox, B Ex Sp Sc (Hons), PhD
